ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION

This filing does not reflect any purchase of securities by the Reporting Persons. Rather, this filing is being made due to the combination of the Reporting Persons for the purpose of acting together as a group as set forth below in Item 4.

ITEM 4. PURPOSE OF TRANSACTION

Each Reporting Person, as either one of the descendants of Homer Scott, Sr., the founder of the Issuer, or an affiliate thereof, has been a long-time beneficial owner of shares of Common Stock. The shares of capital stock held by each of the Reporting Persons have been held without any arrangement, relationship, understanding or agreement among them to act together for the purpose of acquiring, holding, voting or disposing of any of such equity securities or to otherwise seek to influence on a concerted basis control over the Issuer, other than the Shareholder Agreement (as defined below), including predecessor versions thereof, which contains certain customary transfer restrictions and provides the parties thereto a right of first refusal, except for certain permitted transfers.

The Issuer completed an initial public offering of Class A Common Stock and related listing of such stock on The NASDAQ Stock Market LLC in March 2010. The Reporting Persons, which own collectively and in the aggregate more than 50% of the outstanding voting securities of the Issuer, reached an oral agreement as a group for the purpose of influencing control over the Issuer solely to the extent necessary to ensure the Issuer will qualify as a “controlled company” under applicable NASDAQ Marketplace Rules. Under such rules, NASDAQ listed issuers that qualify as controlled companies may avail themselves of certain corporate governance exemptions involving board and committee independent director requirements. Except for the foregoing and the Shareholder Agreement, the Reporting Persons do not have any arrangement, relationship, understanding or agreement among them to act together for the purpose of acquiring, holding, voting or disposing of any of such equity securities or to otherwise seek to influence control over the Issuer.

Other than in connection with the contracts, arrangements, understandings or relationships with respect to securities of the Issuer described in Item 6 below, including the Scott Family Shareholders’ Agreement among Scott family members dated October 29, 2010 (the “Shareholder Agreement”), there are no other plans or proposals that would result in the acquisition of additional securities or disposition of additional securities of the Issuer.

Except as described above in this Item 4, the Reporting Persons do not have, as of the date hereof, any other plans or proposals that relate to or would result in any of the actions or events specified in clauses (a) through (j) of Item 4 of Schedule 13D. Each of the Reporting Persons reserves the right, however, to formulate such plans or proposals, and to take such action with respect to any or all of such matters and any other matters as they may determine in their sole discretion.

(d) The Reporting Persons know of no person that has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of securities of the Issuer.

(e) Not applicable.

ITEM 6. CONTRACTS, ARRANGEMENTS, UNDERSTANDINGS OR RELATIONSHIPS WITH RESPECT TO SECURITIES OF THE ISSUER

As described in Item 4 above, the Reporting Persons have agreed orally to effect as a group influence or control over the Issuer. As referenced in Item 4 above, the Reporting Persons are parties to or subject to the contracts, arrangements, understandings, and relationships described in this Item 6.

Currently, the Reporting Persons are parties to the Shareholder Agreement which contains certain customary transfer restrictions with respect to the Class B Common Stock and provides the parties thereto a right of first refusal, except for certain permitted transfers. The primary purpose of the Shareholder Agreement is to preserve opportunities within the extended Scott family to purchase shares of Class B Common Stock before they are converted and sold in the open market as shares of Class A Common Stock. The Shareholder Agreement is not applicable to shares of Class A Common Stock and, except as specifically set forth therein, does not provide for any arrangement, relationship, understanding or agreement among them to act together for the purpose of acquiring, holding, voting or disposing of any of such equity securities or to otherwise seek to influence on a concerted basis control over the Issuer. A copy of the Shareholder Agreement was previously filed with the Securities and Exchange Commission. The foregoing description of the Shareholder Agreement does not purport to be complete and is qualified in its entirety by reference to the full text thereof, which is incorporated herein by reference.

Additionally, certain of the Reporting Persons may have pledged their interests in the shares of Common Stock as collateral for loans from third-party financial institutions pursuant to various loan agreements.
